“

I joined ABWA in 2010 and have enjoyed the relationships with the amazing women in our WDM Chapter. My membership, at both the local and national level, has given me the tools and confidence to start up my own business, as well as the opportunity to serve in leadership rolls on the local and National Board of Directors. The professional development in ABWA is absolutely the catalyst for my recognition as a 2022 Top Ten Business Woman of ABWA. - Kathy Schooley
